MobileCrimp® 4-20 Crimper

This lightweight, versatile crimper is powerful enough to crimp up to 1-1/4" four spiral-wire hose. Weighing approximately 57 pounds, this new field crimper combines the latest crimping technology with old-fashioned toughness and durability.

Features two control options:

Digital Dial Control

Just dial in appropriate crimp setting and hold the start button until light comes on and buzzer sounds, then release. Ability to lock-in setting for multiple assemblies. Light and buzzer operate on two "AAA" batteries.

Product Number: 7480-0051

Positive Stop Control

No settings necessary since color-coded spacer rings control the crimp. Just hold the start button until the ram extends to a fixed "stop" for each crimp, then release. Controlled crimp stroke for ease of repeatability.

Product Number: 7480-0050

Non-stock item (made to order)
